

IGCSE/GCSE Mathematics Distance Learning LIVE Courses –

SMALL Groups

IGCSE/GCSE Mathematics – Foundation 1 Year

£395 (for full course)

1 hour tuition per week/36 weeks per academic year

IGCSE/GCSE Mathematics – Higher 1 Year

£395 (for full course)

1 hour tuition per week/36 weeks per academic year

IGCSE/GCSE Mathematics – Foundation 2 Years

£395 (for full course)

30 minutes tuition per week/36 weeks per academic year

IGCSE/GCSE Mathematics – Higher 2 Years

£395 (for full course)

30 minutes tuition per week/36 weeks per academic year

These courses cover IGCSE/GCSE Edexcel, GCSE AQA and GCSE OCR.

All courses include:

- ❖ Tutor led course.
- ❖ Weekly online/zoom group tuition with a maximum of 7 students per group.
- ❖ Sessions are recorded (with only tutor's voice) and available on your child's account for them to watch as many times as they need.
- ❖ Printable worksheets relating to the online session with the option of inputting your answers online for automatic marking (answers can also be found on the parent hub).
- ❖ Weekly zoom drop-in sessions (just turn up to as many as you need) where children can speak to Dan, 1 to 1, about any topics/questions they are unsure of.
- ❖ An emailed participation certificate at the end of the full course if wanted.
- ❖ Full tutor support – we are available by email or Facebook at any time and aim to respond asap.
- ❖ Access to 'How to Use a Calculator' videos and exam question explanation videos.

All worksheets and online tests will be available on their learning hubs on a Monday. We record the first session of the week on a Monday and use this as the recording which you can also find on their online learning hub.

As home educators ourselves, we know how expensive it can be, so we have tried to put together plenty of payment options for people to choose from:

Small Group Live Courses - £395 per course

Option 1 – £395 full payment.

Option 2 – Deposit of £200 followed by a payment of £195 in January.

Option 3 – Deposit of £155 followed by 2 payments of £120 in October and February.

Option 4 – Deposit of £95 followed by 4 payments of £75 in September, November, January and March.

Option 5 – Deposit of £80 followed by 7 payments of £45 in September, October, November, December, January, February and March

Option 6 – Deposit of £80 followed by 9 payments of £35 in September, October, November, December, January, February, March, April and May.

Option 7 – Deposit of £39.50 followed by 9 payments of £39.50 in September, October, November, December, January, February, March, April and May.

We are happy to discuss any of these payment options in more detail with you.

DISCOUNTS: £50 reduction from total cost per additional sibling added to any course or per additional course purchased within the same academic year.

“I would 100% recommend Absolute Maths. Dan is a fantastic teacher, and Emma is so responsive when answering messages. We will definitely be continuing with our other children for many years to come!” *Parent A*

IGCSE/GCSE Mathematics Distance Learning LIVE Courses – Large Groups

IGCSE/GCSE Mathematics – Higher 1 Year

£345 (for full course)

1 hour tuition per week/36 weeks per academic year

These courses cover IGCSE/GCSE Edexcel, GCSE AQA and GCSE OCR.

All courses include:

- ❖ Tutor led course.
- ❖ Weekly online/zoom group tuition with a maximum of 20 students per group. The only interaction in these groups is via a private text box to Dan.
- ❖ A session is recorded and available on your child's account for them to watch as many times as they need.
- ❖ Printable worksheets relating to the online session with the option of inputting your answers online for automatic marking (answers can also be found on the parent hub).
- ❖ Weekly zoom drop-in sessions (just turn up to as many as you need) where children can speak to Dan, 1 to 1, about any topics/questions they are unsure of.
- ❖ An emailed participation certificate at the end of the full course if wanted.
- ❖ Full tutor support – we are available by email or Facebook at any time and aim to respond asap.
- ❖ Access to 'How to Use a Calculator' videos and exam question explanation videos.

All worksheets and online tests will be available on their learning hubs on a Monday. We record the first session of the week on a Monday and use this as the recording which you can also find on their online learning hub.

As home educators ourselves, we know how expensive it can be, so we have tried to put together plenty of payment options for people to choose from:

We are happy to discuss any of these payment options in more detail with you.

DISCOUNTS: £50 reduction from total cost per additional sibling added to any course or per additional course purchased within the same academic year.

“Dan and Emma were incredibly supportive for our nervous journey into home education, and we are so grateful that Dan’s excellent, clear and easy to follow teaching methods has allowed my son to find his confidence again with Maths. My son went from being below average in mainstream school to now ‘Higher’ Maths. Thank you!” Parent C

DISCOUNTS: £50 reduction from total cost per additional sibling added to any course or per additional course purchased within the same academic year.

“Dan’s lessons are very engaging, informative and well organised. Our son has done a few courses with Absolute Maths and has loved learning at his own pace. Both Dan and Emma are always on hand to reply to any problems we might have. Thanks to Absolute Maths our son has gained the grades he needed. Highly recommend!” Parent S

IGCSE/GCSE Mathematics Distance Learning Courses

RECORDED – ANYTIME START
