These courses cover IGCSE/GCSE Edexcel, GCSE AQA and GCSE OCR.

All courses include:

- ❖ Tutor led course.
- ❖ Weekly online/zoom group tuition with a maximum of 7 students per group.
- ❖ Sessions are recorded (with only tutor's voice) and available on your child's account for them to watch as many times as they need.
- ❖ Printable worksheets relating to the online session with the option of inputting your answers online for automatic marking (answers can also be found on the parent hub).
- ❖ Weekly zoom drop-in sessions (just turn up to as many as you need) where children can speak to Dan, 1 to 1, about any topics/questions they are unsure of.
- ❖ An emailed participation certificate at the end of the full course if wanted.
- ❖ Full tutor support – we are available by email or Facebook at any time and aim to respond asap.
- ❖ Access to 'How to Use a Calculator' videos and exam question explanation videos.

All worksheets and online tests will be available on their learning hubs on a Monday. We record the first session of the week on a Monday and use this as the recording which you can also find on their online learning hub.

“3 children, 5 courses and many happy years with Absolute Maths – it’s going to be a wrench to say ‘goodbye’! Dan, Emma and team have gone above and beyond to deliver fantastic courses with outstanding support. Nothing is ever too much trouble and the care shown to the children and parents is just as valuable as the outstanding knowledge and teaching. ~Thank you” **Parent HH**

‘Dan and Emma provide an excellent service to the Home Ed community. My daughter really enjoys Dans lessons and has continued to grow her maths skills with his guidance. It’s also very useful to have weekly drop-in sessions for extra assistance if needed.

Would highly recommend them.’ **Parent CS**
