

AQA Certificate Level 2 Further Mathematics LIVE Courses – Small Groups

£395 – 1 hour tuition per week/36 weeks

All courses include:

- ❖ Tutor led course.
- ❖ Weekly online/zoom group tuition with a maximum of 7 students per group.
- ❖ Sessions are recorded (with only tutor's voice) and available on your child's account for them to watch as many times as they need.
- ❖ Printable worksheets relating to the online session with the option of inputting your answers online for automatic marking (answers can also be found on the parent hub).
- ❖ Weekly zoom drop-in sessions (just turn up to as many as you need) where children can speak to Dan, 1 to 1, about any topics/questions they are unsure of.
- ❖ An emailed participation certificate at the end of the full course if wanted.
- ❖ Full tutor support – we are available by email or Facebook at any time and aim to respond asap.
- ❖ Access to 'How to Use a Calculator' videos and exam question explanation videos.

All worksheets and online tests will be available on their learning hubs on a Tuesday. We record the first session of the week on a Tuesday and use this as the recording which you can also find on their online learning hub.

As home educators ourselves, we know how expensive it can be, so we have tried to put together plenty of payment options for people to choose from:

Small Group Live Courses - £395 per course

Option 1 – £395 full payment.

Option 2 – Deposit of £200 followed by a payment of £195 in January.

Option 3 – Deposit of £155 followed by 2 payments of £120 in October and February.

Option 4 – Deposit of £95 followed by 4 payments of £75 in September, November, January and March.

Option 5 – Deposit of £80 followed by 7 payments of £45 in September, October, November, December, January, February and March

Option 6 – Deposit of £39.50 followed by 9 payments of £39.50 in September, October, November, December, January, February, March, April and May.

We are happy to discuss any of these payment options in more detail with you.

DISCOUNTS: £50 reduction from total cost per additional sibling added to any course or per additional course purchased within the same academic year.

“Dan has tutored both my maths-loving son and my maths-hating daughter with equal enthusiasm and patience. My son went on to study A-Level Maths and my daughter, despite herself, no longer declares Maths her worst subject. We’re so grateful to Dan, Emma and family for being such a great, supportive resource to our home ed community”.

Parent SG

AQA Certificate Level 2 Further Mathematics Course

RECORDED – ACADEMIC YEAR START

£295 – 1 hour recorded tuition per week/36 weeks

- ❖ Access to 'How to Use a Calculator' videos and exam question explanation videos.

All worksheets and online tests will be available on their learning hubs on a Tuesday with recorded sessions uploaded by the evening.

I cannot recommend Absolute Maths enough. They are extremely friendly and helpful. My daughter has gained confidence and ability in a subject that she once feared, so pleased I found you! **Parent K**
